

HYTORC, Division UNEX Corporation
333 Route 17N, Mahwah, NJ 07430, USA
Tel: 1 (201) 512-9500, Fax: 1 (201) 512-9615
Email: info@hytorc.com

HYTORC's key benefits are:

- Increasing safety to greatly reduce/eliminate the possibility of a bolting safety incident, costly OSHA recordable and time consuming, costly safety stand down
- Reducing the bolting time of any bolting job by at least 50% providing many first cost construction benefits including substantially reducing facility installation costs
- Reducing the overall cost of ownership by reducing operating (life cycle) costs by way of reducing overall cost of maintenance thru substantial productivity enhancements and efficiency gains, etc.
- Significantly help mitigate overages in construction and maintenance and in both instances get the plant up and running quicker generating revenue and profits.
- Essentially, they reduce downtime and increase uptime generating revenue and additional profits increasing profits over the lifetime of the plant.
